We hope you will join us in whatever way feels comfortable. Please know that you also can watch the service afterward on our [YouTube channel](#). On Sundays, after worship, from 11:30 a.m. to 12:15 p.m, there is **Fellowship time via Zoom**. # The Pastor's Report

Welcome February! I know, a bit of a stretch in terms of an exciting new development, but at this point we are going to muster every reason for celebration which comes our way.

Actually, there is quite a bit to be excited about right now. With the help of the Deacons, we've been calling around to the older members of our congregation to make sure they either have had their (first) vaccination or are scheduled to receive it. That is a very big deal. Knock on wood, this means there is great likelihood that our congregation will weather the viral storm without a life lost to it. No small thing. Certainly, we have all been significantly impacted, some much more than others. Though we are all feeling a little squirrely right about now here in the depths of winter (I know I am) all and all we should be proud of the way we've handled this ordeal; especially you parents out there, and those living alone. Good for you. Good for us.

This Sunday, we'll be holding our annual meeting of Congregation (via Zoom) and in preparation we've sent out the Annual Reports (if you didn't receive one and would like a copy, please email me). Though our activity level is certainly down, the vibrancy and resilience of our congregation shines through. I'm certainly pleased and proud by the effort we've all put in to adapt, adjust and continue undaunted in our life together.

This month, I'd like to ask for your indulgence and assistance in an important matter. Though further exacerbated by the pandemic, over the span of the last year or so it has become increasingly difficult to secure someone

to lead worship and preach in my absence (so much so, that I'm carrying three unused weeks of vacation time into 2021). In an effort to get a break, and with the concurrence and support of the Session, Jarrett and I will be pre-recording a worship service and sermon to be posted on our YouTube channel Sunday February 21st. This means there will be no live worship on that Sunday and the live-stream of the service will be necessarily non-interactive (though the "Chat" feature will still be available, as will the 11:30 a.m. Zoom fellowship opportunity).

However, this is only a short-term solution to a long term challenge. What would really help remedy this situation is to have folks from the congregation lead worship and preach. Now, before any of you remove yourself from considering such a thing, I will remind everyone that this is not rocket science. Yes, the public speaking aspect is a challenge, but we are an incredibly supportive and understanding church (I would have the bulletin done, and the order of worship articulated step by step). As for preaching, I'm convinced everyone has at least one good sermon in them. Really, it is just a matter of speaking from the heart, to the hearts.

Rich and Ellen Grayson have already volunteered to preach and lead us in worship on May 16th (to attend our son Tucker's college graduation...THANK YOU). I would like ask each of you to consider if you might be willing to lead worship and/or give the sermon at some point in the coming year. The Spirit moves in strange and mysterious ways, especially when beckoned to do so.

In the beckoning, Rev. Mike

"To me, the very least of all saints, this grace was given, to preach to the Gentiles the unfathomable riches of Christ, and to bring to light what is the administration of the mystery which for ages has been hidden in God who created all things."  
- Ephesians 3:8-9

The **Annual All-Church Read** will take place on **Sunday, March 21st** and this year's book is ***Where The Wild Things Are*** by Maurice Sendak. We are planning for a wild rumpus and hope you will join us!

# Food For Fellowship

Even with a vaccine now available for certain people, the pandemic is still hard on all of us with social isolation compounded by winter weather, an increase in COVID cases within our community and affecting our church, and families who must continue to find new ways to balance work, home and remote learning. **We want to make things a little easier by providing a meal.** In return, we ask that you **“pay it forward”** and send greetings to a church member who may be homebound or simply someone who would appreciate hearing from a friend.

**Food For Fellowship will be on Tuesday, February 23rd.** A meal of soup, home-made bread/muffins, and dessert will be available with gluten-free options for each menu item. It can be **picked up** at the church or **delivered** to your home. Along with the meal, you will receive **notecards** with addressed, stamped envelopes for other members of your church family. Sign the card, have the kids illustrate it and pop it in the mail. Food For Fellowship.

The soups offered will be **Cheesy Vegetable Chowder** (gluten-free) and **Beef Pasta Soup**. There also is the choice of **Italian Bread** or **gluten-free Corn Muffins** along with **regular cookies** or **gluten-free cookies**. You can place an order for the number of **quarts of soup** that you would like (you can try both) and the type of **bread** and **cookies** for your meal by contacting **Linda Potter** at [nautilus@twcny.rr.com](mailto:nautilus@twcny.rr.com) or texting her at 315-229-8886. She also will be contacting families with children directly.

**Volunteers are needed!** If you are interested in baking loaves of **bread** to accompany the soup or making homemade **brownies** or **cookies** for the dessert or can help **deliver** meals on **February 23rd**, contact Linda.

### Thanks for Pantry Help!

Thanks to **Mark Brackett** for purchasing and stacking food and sanitary items for our church food pantry, and his hockey companions Bill DeCoteau and Joe Erlichman (both biology professors at SLU and good guys) for collecting food and cash donations around the holiday in lieu of the annual Skate With Santa event they put on each year (not possible this Christmas due to COVID). These guys have frequently supported our church's food pantry in this way over the years, and are some **good dudes**.
